STUDENT FINANCIAL AID

I. GENERAL INFORMATION AND POLICIES

A. You must be **ACCEPTED** for admission or be currently **ENROLLED IN A DEGREE PROGRAM** to receive Financial Aid. Students who are in conditional, special admission, or non-degree status are NOT eligible for Federal Financial Aid.

B. Students applying for Title IV Federal Assistance must complete the Free Application for Federal Student Aid (FAFSA) and **MAIL THE FAFSA** to the central processor. The address is on the envelope included in the FAFSA. You must enter The University of Memphis Title IV code (003509) in Section H of the FAFSA in order for your results to be sent to our institution.

C. Students must also **SUBMIT THE 1996-97 DATA FORM** directly to the Student Aid Office (312 Scates Hall, Memphis, TN 38152).

D. FAFSA and DATA FORM priority consideration date for the Spring 1997 year is: November 1, 1996.

E. To meet this priority date, the FAFSA should be mailed to the processing agency by September 15, 1996. Specific details for processing are available in the Student Aid Office.

F. If you have attended any college, university, or post-secondary institution(s), you must have the Financial Aid Office at your previous school(s) complete a **FINANCIAL AID TRANSCRIPT** and forward it directly to The University of Memphis Student Aid Office. A Financial Aid Transcript is required even if you did not apply for or receive Financial Aid at the previous school(s) you attended. **A Financial Aid Transcript is NOT the same as an Academic Transcript of your grades.**

G. When your FAFSA is processed by the central processor, a **Federal STUDENT AID REPORT (SAR)** will be sent to you (usually within four weeks). Immediately review the SAR for accuracy. If corrections are needed on the SAR, make them on Part 2 of the SAR, then sign, date, and submit Part 2 with corrections to the Student Aid Office. After corrections have been processed, you will receive a revised SAR. Be sure to keep your SAR for your own records.
When the FAFSA results are received and reviewed by The University of Memphis Student Aid Office, **OTHER DOCUMENTS** may be required. Any documentation requested should be submitted as soon as possible. An award cannot be made until all required documents are submitted.

H. When all required documents have been received, you will receive a Financial Aid Notification (AWARD LETTER) which you should complete, sign, and return to the Student Aid Office as soon as possible. Your award(s) will then be finalized and processed.

All grant/loan/scholarship awards are in **TWO DISBURSEMENTS.** If your award covers the Fall/Spring semesters, you will receive the first half for the Fall term and the second half for the Spring term.

If your award covers one semester only, you will receive all monies at the beginning of the semester **EXCEPT** when a Direct Stafford or PLUS loan is involved. According to federal guidelines, these funds must be disbursed in two payments. You will receive the first half of the loan at the beginning of the term and the second half at the mid-point in the term.

New FRESHMAN borrowers receive the first disbursement after attending classes for 30 days.

   a. maintaining sufficient cumulative GPA (2.0 undergraduate, 3.0 graduate),
   b. not withdrawing from the university more than once while receiving aid, and
   c. not exceeding maximum time frame for completion of first degree.

ACADEMIC ADVISING

STATEMENT OF PHILOSOPHY

The University of Memphis is committed to quality academic advising that fosters student growth and development. The main elements of quality advising consist of promoting the understanding of the aims and purposes of higher education; providing information and resources about the University's programs, opportunities, and requirements; and assisting students in identifying their educational and career goals.

The academic advising process involves many segments of the University community including students, faculty members, professional advisors, counselors, administrative staff, and student peers. Advisors and advisees should seek to integrate the services and expertise of both academic and student affairs professionals.

REGISTRATION CLEARANCE

Most degree seeking students at The University of Memphis must obtain advisor clearance for participation in STRIPES (telephone) registration. Students should contact the appropriate advising area to set up an appointment **well in advance of** their assigned day for registration. Registration clearance information will be included on continuing students' Invitation to Register mailed prior to Regular Registration and with acceptance letters from Admissions for new students. While non-degree seeking students are not required to have advisor clearance, those considering future degree seeking status are encouraged to seek advising.

The following students must receive registration clearance from an advisor prior to participation in STRIPES: (1) first time freshmen and transfer students, (2) students on academic probation, (3) students receiving veterans' benefits, (4) students who have not enrolled in required Remedial and Developmental courses, and (5) participants in varsity sports.

UNDERGRADUATE STUDENT ADVISING

ACADEMIC COUNSELING UNIT

107 Scates Hall, 678-2062

The Academic Counseling Unit advises **undergraduate students with less than 25 semester hours completed, including undergraduate undecided majors and non-degree students. Exceptions**: Engineering majors contact the academic advisor - 202 Engineering; Music majors contact the Music Department - 123 Music; and Pre-Health majors contact the Pre-Professional Advising Office - 207 Mitchell. **Note:** Students seeking some aspect of teacher licensure should contact the College of Education. Students should schedule their advising appointments early in the semester.

STUDENTS WITH DECLARED MAJORS

Individual colleges and departments will inform students of advising guidelines and registration clearance requirements unique to their programs. The general guidelines for each college are as follows:

College of Arts and Sciences - Pre-Health majors contact the Pre-Professional Advising Office, Mitchell 207 - 678-2835. Other students should contact the department of their major for registration clearance.

Fogelman College of Business and Economics - Students must receive registration clearance from the Business and Economics Advising Center, 114 Business Building - 678-2855.

College of Communication and Fine Arts - Students must receive registration clearance from their advisor in the College of Communication and Fine Arts.

College of Education - All students assigned to Advisory Services must contact their academic advisor in person or by phone (678-2728) during regular working hours for registration clearance. Any student seeking teacher licensure who is not fully admitted to the TEP should not register for selected upper division courses leading to teacher licensure. Students who are inappropriately registered for TEP upper division courses will be administratively dropped during the first week of classes.

It is the student's responsibility to obtain initial advising and then to follow the prescribed degree program sheet given at that advising session. Any student who needs or desires additional or updated advice should meet with his/her advisor well in advance of the registration dates. If the advisor is unavailable, the student should contact the departmental office. If program changes occur that could result in alterations in degree requirements, student registration clearance flags will be reset to disallow student registration without seeing an advisor.

College of Education Undergraduate Departments

Consumer Science and Education - 678-2301
Human Movement Sciences and Education - 678-2324

(NOTE: OFFICE HOURS MAY CHANGE DURING REGISTRATION)

About Your Permit:

Each student is issued a permanent parking permit (hangtag) with a semester validation sticker. The permit will be kept by the student each semester for proper identification of your vehicle parked on campus.

Validation Stickers:

The Parking Office will issue the semester validation sticker upon receipt of fee payment.

Premium Parking:

You can purchase gated access in all lots where space is available at an additional cost.

Parking Garage:

Students may use the parking garage at $.50 per hour maximum charge of $2.50. A $1.00 discount will be given to those students displaying a valid hangtag.

Replacements:

You will be charged a $10 replacement fee for a LOST or STOLEN hangtag and you must report the loss to Parking Services (678-2212).

A valid parking hangtag does not guarantee a parking space will be available. It is the driver's responsibility to locate an authorized parking space and to abide by the parking rules and regulations of the University of Memphis. Citations will be issued, and vehicles may be towed for violators.

ADDENDA TO THE 1996-97 CATALOGS

The following items are corrections, revisions, or additions to the 1996-97 issues of the University Bulletin. Their publication here constitutes the official announcement of the change to the University Bulletin.

THE UNIVERSITY COLLEGE

UNIV 3507. THEMATIC STUDIES - ECONOMICS OF SOCIAL ISSUES (3). Presents applications of introductory economic theory to an array of important social problems. Aids in the understanding of social issues and how economic theory and analysis can clarify these issues. No economics course prerequisites.

UNIV 3519. THEMATIC STUDIES - EXPLORING THE FUTURE (6). Structured around images of the future and focuses upon resources and problems important to a global future. Resources considered are the global human population, natural resources and the environment, social, institutional, technological, economic, and leadership resources. Problems that the future will pose are considered, specifically, population, food and fresh water, global environment, sociopolitical organization, education, health care, and energy. A critical approach to images of the future and future-oriented actions is emphasized throughout.

UNIV 3527. THEMATIC STUDIES - MAKING THE HUMANE CITY: INTRODUCTION TO PLANNING OF URBAN AMERICA (6). Interdisciplinary approach to planning and decision-making issues that challenge American cities: planning process that precedes and follows public and private sector decisions affecting the quality of life in urban communities.

UNIV 3700. SPECIAL TOPICS - LEGAL RESEARCH & WRITING III (3). An advanced approach to legal research and writing involving the development of offensive and defensive litigation strategies and the preparation of federal and state trial court pleadings which utilize these strategies. A survey of the appellate process and the preparation of appellant and appellee briefs will also be undertaken. Particularly useful to students interested in a career in the demanding area of civil litigation.

UNIV 4502. THEMATIC STUDIES - THE ADULT YEARS (6). Examines the simultaneous processes of growth, development, and continuity that characterize adult personal, interpersonal, social and career experiences.

UNIV 4509. THEMATIC STUDIES - CHAOS AND UNCERTAINTY (3). An examination of the notion of certainty or certain knowledge in the light of the discovery of chaos and related developments in modern science and mathematics. Implications for planning and decision making in a broad range of contexts.

UNIV 4511. THEMATIC STUDIES - HOLOCAUST STUDIES (3). An interdisciplinary approach to one of the most problematic events of human history: the Holocaust. The purpose of the course is not simply to gather information or to arrive at some explanation; nor is it to be overcome with despair or anger or outrage. The aim, rather is to address the questions of good and evil, of divinity and humanity, of truth and responsibility that arise from this event.

MISCELLANEOUS INFORMATION

EXPOSURE TO HAZARDOUS CHEMICALS AND RADIOACTIVE MATERIALS

During the course of the semester, some classes and laboratories may use hazardous chemicals, radioactive materials or radiation producing equipment.

Prior to enrolling for classes each semester The University of Memphis recommends that students with health concerns or conditions seek private medical advice about the appropriateness for them to enroll in classes and laboratories using hazardous chemicals, radioactive materials or radiation producing equipment. The state of the art at this time is not sufficient to provide complete information about all possible side effects and health hazards, known and unknown which could develop from the exposure to and use of such hazardous chemicals, radioactive materials and radiation producing equipment.

During regular University business hours Material Safety Data Sheets (MSDS) for hazardous chemicals are available for review through the office of the chair of the department in which such chemicals are used. MSDS are also available for review at the office of the Radiation Safety Officer, 110 Brister Tower. Information about exposure from radioactive materials and radiation producing equipment may be obtained from the Radiation Safety Officer.

VA EDUCATIONAL BENEFITS

IT IS THE STUDENT'S RESPONSIBILITY TO BE AWARE OF AND FULFILL ALL REQUIREMENTS FOR RECEIPT OF GI BILL BENEFITS.

Any student using VA Educational Benefits Assistance (GI Bill Benefits) at The University of Memphis should contact the Office of Veteran's Services (119 Administration Building 678-2996). New students should be prepared to furnish the following items as needed: a VA copy of their DD 214 (Certificate Of Release Or Discharge From Active Duty), DD 2384 (Notice Of Basic Eligibility), or other armed forces separation papers, a copy of their Delayed Enlistment Contract, copies of their children's birth certificates, a copy of a divorce decree if either vet or spouse was previously married, their VA file number if benefits have been used previously, and a transcript from any college or university previously attended.

The VA places restrictions on those receiving veterans educational benefits. Some of these restrictions include regular class attendance, satisfactory academic progress, and adherence to a specific degree program. The VA will not pay for repeated courses if the grade already earned is acceptable for graduation requirements and major objectives at this University (this includes transfer credit), or for elective courses in excess of those needed to meet graduation requirements.

Certification Reminders

(1) Register with the Office of Veterans Services every semester by completing a Veteran Data Sheet and Certification Request.
(2) Report credit allowed for prior training in cooperation with your advisor by completing a "Request for Reevaluation of Prior Credit" form. These forms are available from the Office of Veterans Services.
(3) Inform the Office of Veterans Services of any changes in major or degree pursued, address, marital status, or number of dependents claimed.
(4) After registering, report to the Office of Veterans Services immediately all changes in class schedules including adds, drops, section changes, canceled courses, and withdrawals.
(5) Obtain a degree posting sheet/formal degree plan from your advisor, and furnish a copy to the Office of Veterans Services, as well as keeping a copy for your personal files.

For more information on eligibility requirements, monthly pay rates, and other services available, contact the Office of Veterans Services.

HARASSMENT POLICY

Policy

It is against University policy to harass or to discriminate against any member of the University Community on the basis of sex, race, color, national origin, age, or disability and/or veteran status.

Such actions are prohibited not only by University Policy, but also by Title VII of the Civil Rights Act of 1964 as amended, and Title IX of the Educational Amendments of 1972. Other types of harassment are prohibited by applicable law. Violation of these Acts may subject the University and/or individuals to disciplinary action and may have legal consequences.

Harassment is reprehensible and will not be tolerated by the University. It subverts the mission of the University and threatens the careers, educational experience, and well-being of students, faculty and staff. Incidents involving sexual harassment, racial harassment or discrimination have no place within the University. In both obvious and subtle ways, even a suggestion of sexual or racial harassment is destructive to individual students, faculty, staff, and the academic community as a whole. When, through fear or reprisal, a student, staff member, or faculty member submits or is pressured to submit to unwanted sexual attention, the University's ability to carry out its mission is undermined.

Sexual harassment is especially serious when it threatens relationships between teacher and student or supervisor and subordinate. In such situations, sexual harassment exploits unfairly the power inherent in a faculty member's or supervisor's position. Through grades, wage increases, recommendations for graduate study, promotion, and the like, a teacher or supervisor can have a decisive influence on a student's, staff member's or faculty member's career at the University and beyond.

While sexual harassment most often takes place in situations of a power differential between the persons involved, the University also recognizes that sexual harassment may occur between persons of the same University status. The University will not tolerate behavior between or among members of the University community that creates an unacceptable work or educational environment.

A. Sexual harassment is defined as unwelcome sexual advances, request for sexual favors and other verbal or physical conduct of a sexual nature when one of the following criteria is met:
   1. submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course or activity; or
   2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
   3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or educational experience or creating an intimidating, hostile, or offensive work or educational environment.

B. Sexual harassment encompasses any sexual attention that is unwanted and can take many forms, but most sexual harassment falls into three categories verbal, visual, and physical. Some examples of behavior or conduct that may constitute sexual harassment include, but are not limited to:
   1. refusing to hire, promote, or granting or denying certain privileges because of acceptance or rejection of sexual advances
   2. promising a work-related benefit or a grade in return for sexual favors
   3. suggestive or inappropriate communications, notes, letters, or other written materials displaying objects or pictures which are sexual in nature that would create hostile or offensive work or living environments
   4. sexual innuendoes, comments, and remarks about a person's clothing, body or activities
   5. suggestive or insulting sounds
   6. whistling in a suggestive manner
   7. humor and jokes about sex that denigrate men or women
   8. sexual propositions, invitations, or pressure for sexual activity
   9. implied or overt sexual threats
   10. suggestive or obscene gestures
   11. patting, pinching, and other inappropriate touching
   12. unnecessary touching or brushing against the body
   13. attempted or actual kissing or fondling
   14. coerced sexual intercourse
   15. sexual assault

   Whether the alleged conduct constitutes sexual harassment depends upon the record as a whole and the totality of the circumstances, such as the nature of sexual advances in the context within which the alleged incident occurred. Please note that sexual assaults may be criminal acts and as such, investigation and processing by the criminal justice system, local police, campus security, and crisis intervention centers may supersede the process developed under this Guideline.

C. Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an employee's or student's status or performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin. Title VII requires employers to take prompt action to prevent individuals from expressing their opinions in a way which abuses or offends their coworkers.

D. Generally, harassment on the basis of religion, disability, or other protected status includes any conduct which has the purpose or has the reasonably foreseeable effect of interfering with an individual's academic efforts, employment, or participation in institutionally sponsored activities. Such harassment also includes any activity which creates an intimidating, hostile or demeaning environment.

The University seeks to encourage the prompt reporting of such harassment and its prompt resolution through University procedures. Where the charge of harassment is by one student against another student, the Assistant Dean of Students for Judicial Affairs, University Center, will investigate and resolve the complaint in accordance with appropriate student procedures. Other charges of harassment should be directed to the University Affirmative Action Officer, 160 Administration Building, for investigation and recommendations to the President

and will follow guidelines set forth in University Procedure 2A:1204A.

In addition, the University will take steps towards and encourage the development of programs aimed at informing students and employees of their rights to be free from sexual harassment and the procedures available for reporting. Programs will also be developed and aimed at preventing harassment.

Procedure

The purpose of this procedure is to provide a clearly defined means of reporting and investigating the complaints of students, faculty, and staff where they believe they have encountered harassment as defined by the University policy. The final resolution of such complaints and the imposition of any appropriate sanctioning will be governed by existing University procedures as stated herein.

The President has assigned the University Equal Employment/ Affirmative Action Compliance Officer the responsibility of investigating any complaint related to this procedure. The responsibility of investigating complaints against students has been assigned to the Assistant Dean for Judicial Affairs in accordance with appropriate student disciplinary procedures.

Since harassment based on race, sex, or any other factor has been defined as discriminatory in nature, the following will be implemented for the reporting of harassment:

A. Complaint by faculty member or staff against student - Procedure: Complaint to Assistant Dean of Students for Judicial Affairs for investigation and disposition.
B. Complaint by student against faculty member or staff; faculty member against staff; faculty member against faculty member or supervisor; or staff against faculty member, staff, supervisor or outside University contracting agency - Procedure: Complaint to University Affirmative Action Officer for investigation and possible disciplinary action by the President.

Procedures

The following procedures are intended to protect the rights of the aggrieved party as well as the party against whom an allegation of harassment is lodged, as required by state and federal laws. Each charge will be properly investigated and, when warranted, appropriate disciplinary action taken against the individual charged.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action which is appropriate, e.g., suspension with pay, pending the initiation of the investigation by the EEO/AA Officer. The University Affirmative Action Officer and the President should be contacted in situations requiring immediate action. The TBR Office of General Counsel will be contacted before any immediate action is taken and prior to any investigation.

A. Preliminary Investigation

1. Any student, applicant for employment or employee who believes he or she has been subjected to harassment at The University of Memphis shall present the charge to the designated EEO/AA Officer responsible for compliance with Title VII of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972.
2. The EEO/AA Officer will make every attempt to get the aggrieved party to provide the charge in writing. The charge shall include the circumstances giving rise to the allegations and the dates of the alleged occurrences. The charge shall be signed by the aggrieved individual and notarized. However, where the aggrieved individual refuses to sign a written charge, the EEO/AA Officer will still investigate the allegations, and recommend to the President appropriate action. Based on the findings of this investigation, the EEO/AA Officer may recommend to the President appropriate action which may or may not be the steps outlined in the remaining paragraphs of this guideline.
3. The EEO/AA Officer shall notify in writing the charged party within five (5) working days of receipt of the charge. The charged party shall respond in writing to the charge within five (5) days of notification.
4. The EEO/AA Officer may meet with both parties for the purpose of resolving the charge informally.
5. The EEO/AA Officer shall conduct an investigation of the charge and submit a report to the President, TBR EEO/AA Officer, and the parties within twenty (20) working days following receipt of the charge. Each report shall outline the basis of the charge, including the dates of the alleged occurrences, the response of the charged party, the findings of the EEO/AA Officer and all attempts to resolve the charge informally and recommendations regarding disposition of the charge. If following an investigation the EEO/AA Officer finds there is no substantial evidence to support the charge, the parties shall be so advised in writing.
6. If the investigation reveals that there is evidence to support the charge, the President may meet with the charged party and/or the charging party and attempt to resolve the problem by agreement. In addition, the charged party shall be advised of his/her right to a hearing pursuant to the procedures set forth below. A charged party may request a hearing within ten (10) days following receipt of the report.

B. Hearing

1. If the charged party requests a hearing, he or she shall be advised of hearing procedures available under Board of Regents Policy No. 1:06:00:05, Uniform Procedures for Cases Subject to Tennessee Uniform Administrative Procedures

Act, and of the established The University of Memphis procedures available for resolution of the matter in question. The party requesting a hearing shall be given the opportunity to elect the procedures pursuant to which the matter shall be heard.

2. When an individual elects to proceed under the established The University of Memphis procedures for resolution of the matter, the election should be in writing and signed by the individual making the election and should expressly waive the procedures available under the TUAPA as to the matter in question. When a party elects to proceed pursuant to established procedures at The University of Memphis, these procedures shall include the following minimal requirements:
   a. Notice of the charge to the party or parties.
   b. The right of the party or parties to present his or her case.
   c. The right to be accompanied by an advisor.
   d. The right to call witnesses in his or her behalf.
   e. The right to confront witnesses against him or her.

   In addition, in any case where the President makes a decision which is adverse to the charge or claim of either party, the President shall advise the person of any right of appeal provided by TBR policy.
3. Individuals electing to proceed under the TUAPA shall be referred the appropriate university official responsible for commencement of actions under the TUAPA as provided in Board Policy No. 1:06:00:05.
4. When a charge involves a tenured faculty member, the same informal and formal procedures set out above shall be utilized. Tenured faculty members shall have the same right to elect hearing procedures as set out herein. Where the selected hearing procedure results in a finding that sexual harassment exists and the President determines that the harassment constitutes adequate cause for termination, then the matter will proceed under either The University of Memphis policy for termination of tenure or TBR policy 5:02:03:00. Under TBR policy the matter shall proceed under section III.16 on page 15 of 19.

PRIVACY RIGHTS OF PARENTS & STUDENTS - NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students have the right to file complaints with The Family Education Rights and Privacy Act Office concerning alleged failures by the institution to comply with the Act. A copy of the Act and The University of Memphis Procedure - Privacy of Education Records - may be read in the offices of the Registrar or the University Counsel.

Disclosure of Education Records

The University of Memphis shall not permit access to or release of any information in the Education Records which is specifically identifiable as referring to any student, other than Directory Information, without verification of the written consent of the student to any party other than those listed in the Student Records Access Procedure.

Directory Information

"Directory Information" is defined as: the student's name, address, telephone listing, e-mail address, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's enrollment status (number of enrolled hours, full- or part-time status), and the student's classification (level).

Restricted Release of Directory Information

After a student registers for courses, the student may personally complete a written request in Student Information Services (119 Administration Building) that directory information for that student not be released. This notification is effective only for the one semester for which the student is then registered. Such information will then be withheld if the form is completed by the 14th day of classes.

Access to Records

To gain access, the student must request the custodian of the records to allow perusal of the education record according to the University Procedure for Student Records Access which contains a list of the custodians of the records. A student must present proper identification in support of his/her request. Parents of dependent students as defined in the Internal Revenue Code Section 152 may obtain access to a dependent student's record after presenting appropriate documentation.

THE UNIVERSITY OF MEMPHIS'S POSITION ON DRUG AND ALCOHOL USE BY STUDENTS

A. In accordance with local, state and federal laws and with University Regulations promulgated in accordance with the Tennessee Board of Regents policy, students are prohibited from unlawfully processing, using, selling, manufacturing or distributing illicit drugs on University owned or controlled property. Also, students are prohibited from possessing, using, selling, manufacturing or distributing alcoholic beverages on University owned or controlled property.

- At off-campus University sponsored (funded) events, students are prohibited from unlawfully possessing, using, selling, manufacturing or distributing illicit drugs. Alcohol shall not be abused by those of legal drinking age, nor used, possessed or distributed by those who have not attained drinking age.
- Additionally, students are prohibited from being under the influence of illegal drugs or alcohol while on University owned or controlled property or while attending any University sponsored (funded) activity.

B. Under the laws of the state of Tennessee, a person convicted of the unlawful possession, use, or distribution of an illicit drug or alcohol may face a fine ranging from fifty dollars ($50) to $500,000 and may face imprisonment ranging from thirty (30) days to sixty (60) years. Dependent on the offense and its classification, the fine and imprisonment may vary but will be within the limits noted. Descriptions of the offenses and sanctions listed are located in the Tennessee Code Annotated (T.C.A.) in section 39-17-401 through 427 and in sections 40-35-101 through 504.

   Under the laws of the United States, a person convicted of the manufacture, distribution or possession of any controlled sub-stance may face a fine of up to $100,000 and may face imprisonment of up to one (1) year for Schedule V drugs, and a fine of up to $400,000 and life imprisonment for Schedule I drugs. Dependent on the offense and its classification (according to the schedule of the drug), the sanction may vary but will be within the limits listed above. These sanctions are doubled when the offense involves either (i) distribution or possession at or near a school or **college campus** (emphasis supplied) or (ii) distribution to persons under 21 years of age. Additional sanctions include civil fines of up to $10,000 for simple possession and loss of eligibility for federal benefits. Descriptions of offenses and sanctions are located in the United States Code (U.S.C.), title 21, sections 801 et seq.

C. The use of illicit drugs or alcohol may result in a variety of health problems. Excessive use of alcohol, for instance has been shown to result in damage to the heart and liver; impairment of brain activity, digestion and blood circulation; impairment of judgment, memory and motor skills; and ultimately may lead to death.
   - The use of illicit drugs has been shown to cause organic damage, impairment of physiological processes, and impairment to mental functioning. Risks of contracting hepatitis, AIDS and other infections increases when illicit drugs are injected. The use of illicit drugs may also lead to death.

D. The University of Memphis students have access to a wide variety of drug or alcohol related counseling/assistance programs, both on and off campus. On campus services, which are entirely free to students, include the Center for Student Development's Psychological Counseling Unit, the University's Health Center and the Department of Psychology's Counseling Services (Psychological Service Center). For more information on campus based services, contact the Center for Student Development at 678-2067.
   - Off campus programs to assist the substance abuser range from groups dealing with addictive behaviors - such as Alcoholics Anonymous - to full service, in-patient programs operated by local hospitals or health-related concerns. These programs may be contracted either directly or through referral by The Center for Student Development; although, none are operated with the assistance of the University.

E. Violation of University Policy as stated in Section A above will result in disciplinary action being taken against the responsible student. A violation may result in a sanction ranging from a simple warning and referral for treatment to a full suspension or expulsion from the University and may also result in referral for prosecution by local, state or federal authorities. For a more detailed view of the disciplinary process, see the **Student Handbook** section on student discipline ("Code of Conduct") or contact the Office of Judicial Affairs at 678-2298.

CRIME AWARENESS AND CAMPUS SECURITY ACT OF 1990

1. The University of Memphis Procedure No. 2D:06:01A provides that all suspicious and/or criminal activity should be reported to the Department of Public Safety, which is open 24 hours a day. Reports of such activity may be made in person to a member of the Department of Public Safety at the office (155 Administration Building), to any Officer on campus patrol, by telephone (678-4357 or MSU-HELP), or from any campus emergency telephone located at various sites across campus and in the lobbies of most academic buildings.
2. The campus and facilities of The University of Memphis are restricted to students, faculty, staff, guests and invitees of the University, except when all or part of the campus, its buildings or facilities are open to the general public for a designated time and purpose. Generally, buildings other than residence halls are secured by 10:00pm each evening. Individuals loitering on campus without a legitimate purpose as specified above are issued trespass warnings and directed to leave campus; failure to comply with the warning will result in arrest.

   The main lobbies of residence halls are open from 7:00 a.m. to 12:00 midnight each day. After midnight, the residence hall lobbies are restricted to student residents and Residence Life staff. Visitation hours

are established by a two-thirds majority of the residents of each individual hall at the beginning of each Fall semester. In any case, visitation hours may not exceed 12 hours (12:00 noon to 12:00 midnight) on weekdays and 14 hours (12:00 noon to 2:00am) on weekends. For more information concerning the residence hall visitation policy, consult the Residence Hall Application Reservation brochure available in the Office of Residence Life and Visitor Information Center.

3. The Department of Public Safety employs 28 commissioned peace officers. University Police Officers attend a basic police academy and an in-service training program in conformance with the requirements of the Tennessee Peace Officers' Standards and Training Commission. The University Police Officers' commission authorizes them to enforce state law on campus and on contiguous streets, and to investigate crime occurring on campus or against the University.

   Students are encouraged to promptly report crime and suspicious activity through various crime awareness and prevention programming sponsored by the Department of Public Safety and the Division of Student Affairs, including New Student Orientation and Residence Life programming. Students are further encouraged to report criminal activity as outlined in various University publications, including the Student Handbook and the Campus Safety and Security brochure.

4. The Department of Public Safety and the Division of Student Affairs sponsor on-going programming on crime prevention and safety awareness. Programming includes skits, videos, self-defense presentations and discussions presented to various student organizations and groups, resident students, and new students during orientation. This programming, as well as literature published by the University, encourages students to adopt safe behaviors and attempts to foster a sense of personal responsibility for safety among all members of the campus community.

5. The Memphis Police Department is notified of all felony crimes that occur on campus. Any sexual assault of a university student that is reported to the Department of Public Safety is also reported to the Memphis Police Department, whether the offense occurred on or off campus. The Tennessee Bureau of Investigation is also notified of any criminal activity deemed to be of special interest.

6. The sale, consumption or possession of alcohol or illegal drugs is prohibited on the campus of The University of Memphis and at any University sponsored student activity. Violators of this policy are subject to arrest and disciplinary action by the University. Further information regarding the University's policy on alcohol and drug use is contained in the Student Handbook in the sections entitled "The University of Memphis's Position on Drug and Alcohol Use", "Residence Life", and "The Code of Student Conduct" and in this schedule of classes.

The University of Memphis - Statement of Mission

The University of Memphis is a member of the State University and Community College System of Tennessee and is governed by the Tennessee Board of Regents. As an urban university, The University of Memphis provides a stimulating academic environment for its students, including an innovative undergraduate education and excellence in selected research areas and graduate programs. The academic environment extends beyond the campus boundaries to encompass the entire community.

Education is enhanced through exposure to diversity in the composition of the student body, faculty, staff and administrators; including women, minorities, individuals with disabilities and various age groups and religions. The University has responded to the challenging responsibility of being located in a culturally diverse region by developing a unique blend of teaching, research and service that contributes to the growth of the Mid-South region.

Teaching brings the benefits of scholarship and research to students and through them to the people of the area. The University of Memphis asserts that excellence in teaching traditional and non-traditional students is its central responsibility. A comprehensive undergraduate education, grounded in the arts and sciences, develops intellectual, cultural and ethical qualities in its students. The innovative General Education Program challenges students to develop the analytical and critical skills necessary for lifelong learning. The University of Memphis offers master's and doctoral degrees in selected graduate programs as well as degrees in the major professional areas. Through learning begun at The University of Memphis, graduates compete in the global intellectual community in which they live.

As a research university, The University of Memphis develops, integrates, disseminates and applies knowledge. Faculty maintain ongoing programs of basic and applied research or creative activities appropriate to their disciplines. The University's urban environment provides a rich opportunity for research and creative scholarship, and for the use of that scholarship in the intellectual and cultural development of the region. The University's commitment to fostering a research and creative environment harmonizes with the other aspects of its mission.

The University of Memphis fulfills its outreach mission through its contributions to professional organizations and to the needs of the community. The University promotes intellectual, cultural and community development through, for example, its artistic programs, lecture series, technical assistance, continuing education and intercollegiate athletic programs.

The University of Memphis, through its research, teaching and outreach roles, responds to individual needs, such as the support of health care and preventive health services. The University addresses broader issues as well, for instance, K-12 education, economic development, environmental initiatives, international programs, computing and telecommunications.

PARKING REGULATIONS

The U of M Parking Office is located at 3918 Central Avenue. Office hours are Monday - Thursday, 7:00am - 6:00pm, and Friday, 7:00am - 4:30pm. Please note: Hours may differ during U of M's student registration periods. Contact the Parking Office at 678-2212 for specific operating hours.

Campus Traffic and Parking Regulations are available in the Parking Office, 3918 Central Avenue, the Office of Judicial Affairs, University Center, and the Visitor's Information Center located at the corner of Patterson and Central.

Every vehicle parked on campus property must have a parking permit (hangtag) properly displayed. Parking meters have been placed in parking lots around the University for the use of visitors. Parking permits (hangtags) are permanent and are designed to hang from the inside rearview mirror post but may be transferred to a replacement vehicle when the registered vehicle is not available. A temporary parking permit (hangtag) must be purchased from the Parking Office when you forget to transfer the regular hangtag. Parking permit fees range from $19 - $200 based on the level of parking desired. **If you lose your hangtag, a replacement fee of $10.00 will be charged. A lost or stolen permit (hangtag) must be reported to the Parking Office.** For additional information, telephone the Parking Office at 678-2212.

Parking lots are either Priority (gate access), Reserved, General, Resident, or Visitor. All University owned streets are reserved for Resident or Visitor parking. A parking sign is erected at the entrance to each lot and University owned street indicating the use of that lot or street.

Priority (gate access) lots have a limited number of spaces. These spaces are sold for either day or evening use and a parking space is virtually guaranteed. Applications for gate access parking are available in the Parking Office or in the Fee Payment Center during registration.

Vehicles must be parked within parking spaces delineated by white lines. Improperly parked vehicles may be towed at owner's expense. The issuance of a parking permit (hangtag) does not guarantee a parking space on University property. The inability to locate a legal parking space does not diminish the responsibility to park in accordance with University parking regulations.

Visitor parking is provided in spaces where parking meters are installed in various locations around campus or in the Parking Garage located at Deloach and Norriswood Streets. Visitor Parking Permits (hangtags) are available at the Parking Office or Visitor Information Center for a fee of $1.00 per day. These permits allow parking at metered spaces without additional payment or in the General parking lots. The Visitor Information Center is located at Patterson Street and Central Avenue and the Parking Office is located at 3918 Central Avenue.

Garage parking is available Monday through Friday at Deloach and Norriswood streets. Garage parking is $.50 per hour or a daily rate of $2.50. Parking permit (hangtag) holders will be provided a discount rate per day.

University Police officers, parking assistants, faculty members, or staff employees are not empowered to allow anyone to violate the traffic and parking regulations. Storing articles of value (including radar detectors) in parked automobiles is discouraged. However, if articles must be left in an automobile they should be placed out of sight and/or located in the trunk. The University of Memphis does not assume responsibility for loss of personal property.

Motorists may obtain assistance or information from any campus officer on patrol or by calling 678-4357 (MSU-HELP), or by using any emergency telephone located at various sites across campus and in the lobbies of most academic buildings.

Drive. Intensity. Those aren't words you're likely to see in many course requirements. Then again Army ROTC is unlike any other elective. It's hands-on excitement. ROTC will challenge you mentally and physically through intense leadership training. Training that builds your character, confidence and decision-making skills. Again words other courses seldom use. But they're the credits you need to succeed in life. ROTC is open to freshmen and sophomores without obligation and requires about five hours per week. Register this term for Army ROTC.

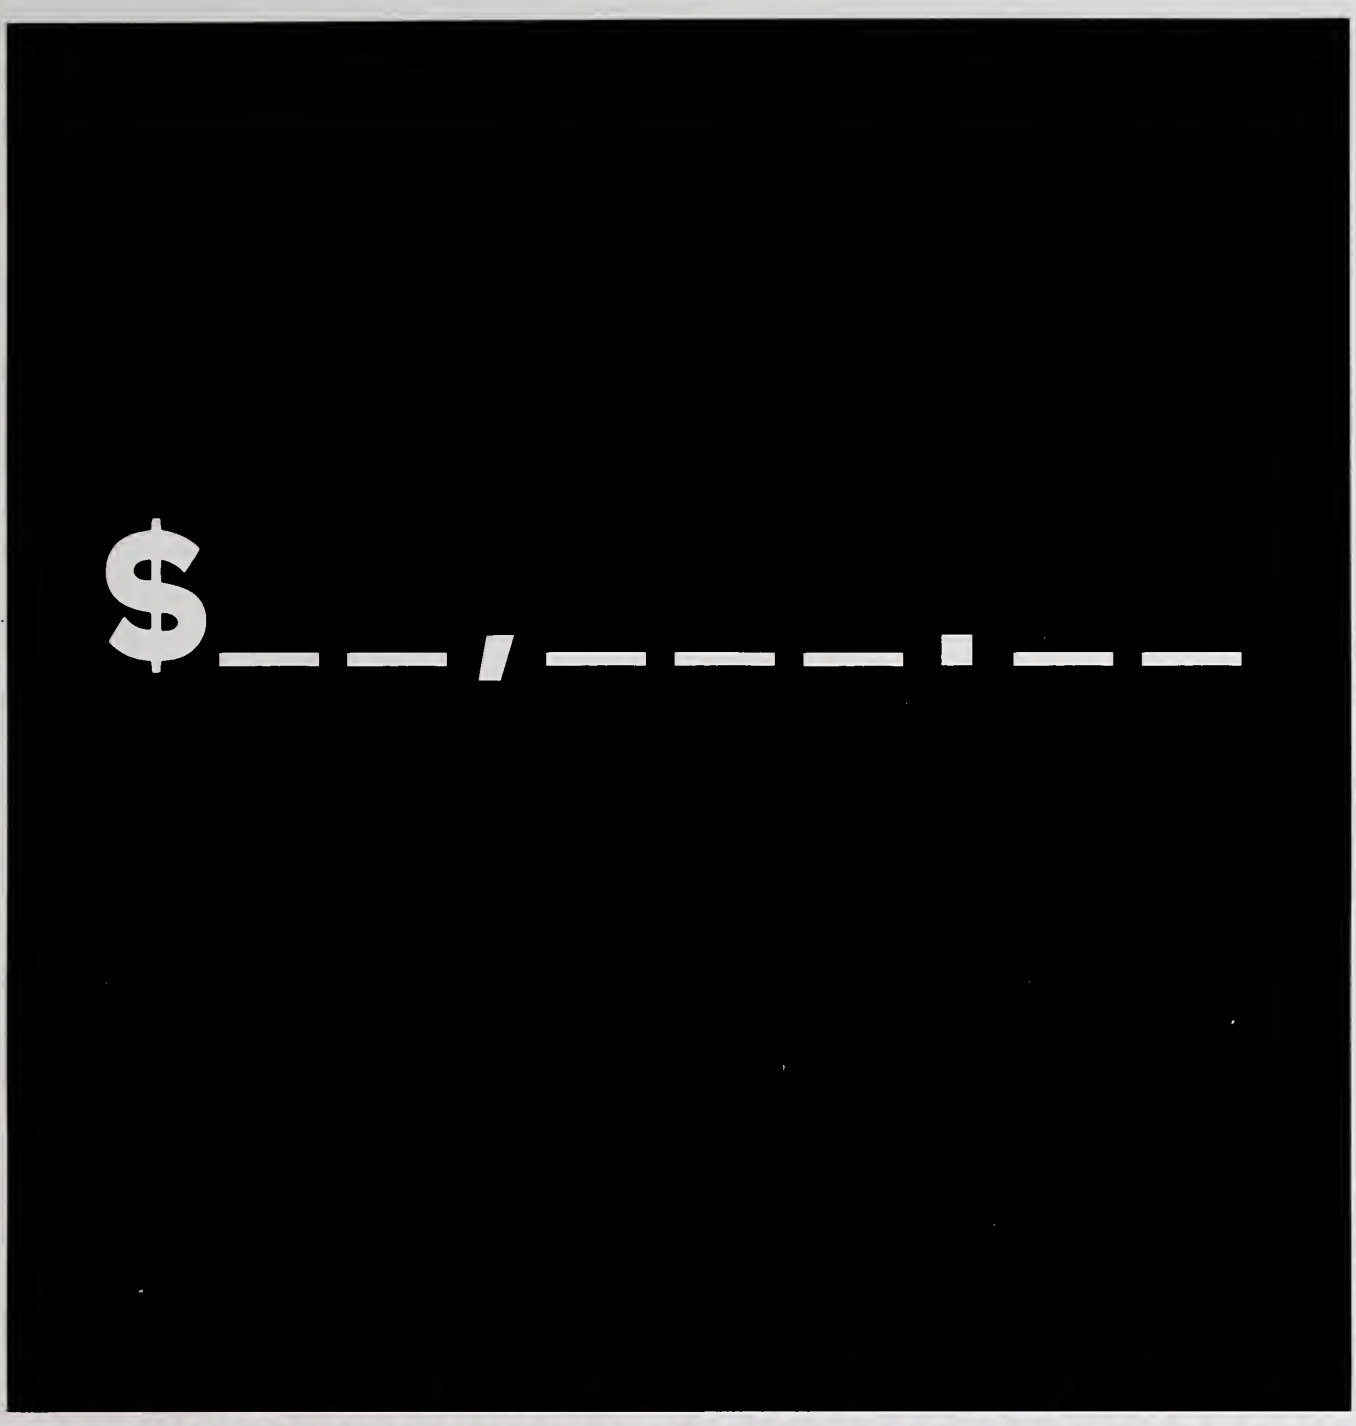
REVISED 5/96



WE CAN MAKE YOUR STUDENT LOAN DISAPPEAR.

It's not magic, it's the Army and Army Reserve's Educational Loan Repayment Programs. If not in default, federally insured college loans up to $55,000 can completely disappear after three years of active Army service. The amount and duration of repayment varies for Reservists.

Your college experience may allow you to enter the Army at a higher rank and pay grade. And you may also qualify for sophisticated skill training.

For more information, call 1-800-USA-ARMY, Ext. 439, or mail in the coupon today.

The new TI-83

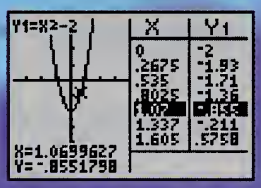
The singular

solution for a multi-function [world].

One calculator to handle algebra through calculus. Another for finance. And a computer program to perform statistical computations. Whoa! Wouldn't it be extraordinary if one calculator could handle so many diverse needs, and still be easy to use? Well, now one does just that. Presenting the TI-83 Graphing Calculator.

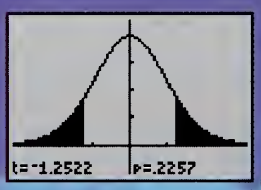
The revolutionary TI-83 handles a host of functions for a variety of college subjects. And if you're familiar with the popular TI-82, picking up the TI-83 will be a snap. The new TI-83. In a multi-function world, there simply is no equal.

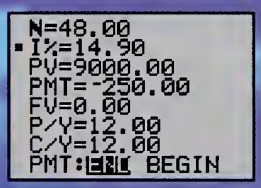
Check it out at your campus bookstore or favorite retailer where TI calculators are sold.



Math. Split screen allows you to trace the graph and scroll the table simultaneously.

Statistics. Display results of hypothesis tests graphically and numerically.





Finance. Financial functions: Time-Value-of-Money, cash flows, and amortization.
